# *A Welcome Invitation to Visit*

## *Elmherst Gardens*

**3128 N. MUSCATEL, SAN GABRIEL, CALIFORNIA**

Our Display Garden is located in the fertile San Gabriel Valley approximately eleven miles from Los Angeles City Hall and five miles south of the City of Pasadena. In driving out Highway 99, 60 or 70 (known at this point as Garvey Boulevard) you will find Muscatel Avenue located about half-way between San Gabriel and Rosemead Boulevards. Turn north at the signal at Muscatel and drive one block to Elmherst Gardens.

### **TERMS OF SALE**

Cash with order, check, draft or money order. No stamps. No C.O.D. orders accepted.

All orders prepaid in the U. S. A. amounting to \$4.50 or over. On orders below this amount add 50c for packing and postage.

No plant orders accepted for less than \$2.50.

Orders filled in rotation as received.

Shipments the entire year with exception of blooming period. Begin shipping Bearded Iris on or after the 15th of June.

**Our Guarantee**—Our plants are from one-year-old stock, husky, healthy, pest free, hardy California grown, of the finest grade only.

Correctly labeled and true to name.

If plants arrive in bad condition notify us at once. Transportation costs must be paid by purchaser in case of replacement.

With Orders of \$5.00 or more we give a bonus, with the exception of collections.

Sincere thanks to our friends and customers, also to those of you who for the first time have requested our catalog this year.

We hope your Iris and Daylilies gave you many days of pleasure the past year. We are looking forward soon to a grand display of flowers, as you no doubt are also. Blooming season becomes more thrilling to us each year with new varieties added as we grow.

As we are hybridizing as well as growing fine Iris and Daylily hybrids, and have been in horticulture for the past forty-five years, both under glass and out of doors, we feel certain we are qualified to know the best; therefor we offer you only one grade—the very finest.

Iris and Daylily hybrids can be grown successfully by anyone. If you have never grown them you are really missing a grand treat.

The newer hybrids are vastly different from the early type flowers. Gorgeous in colors and flower types. Thrilling to all who see them unfold for the first time each continuous year.

We hope you will favor us with an order this season, as we feel sure we have the best, and can please you whether the order is large or small.

Please remember California grown plants are hardy, therefore can be successfully grown even in the coldest sections of this country.

Cultural directions will be sent with all orders.

Wide standards are wavy. Ruffled falls flare charmingly. Blooms on tall strong stalks are numerous. Plant vigorous.  |                    |
|  |                    | <b>LADY MOHR</b>  | <b>Each \$1.50</b> |
|  |                    | Large Onco-bearded hybrid of exquisite pastel tints. Round oyster-white standards slightly wavy are overcast with a faint tint of lavender. Wide flaring falls are a pale greenish yellow heavily veined. A dark violet spot surrounds the beard. Crisply dignified. Vigorous in plant and bloom. |                    |

|   |                    |  |                    |
|---|--------------------|--|--------------------|
| <b>LAKE GEORGE</b>  | <b>Each \$2.00</b> | <b>MOROCCO ROSE</b>  | <b>Each \$.50</b>  |
| Sparkling deep blue with practically horizontal flaring falls. No haft markings. Pale yellow beard tipped blue. Vigorous.   |                    | Huge rose-pink. A real beauty and very hardy.  |                    |
| <b>LORD DONGAN</b>  | <b>Each \$.50</b>  | <b>MOUNTAIN SKY</b>  | <b>Each \$.50</b>  |
| Velvety falls a dark violet with wide Chinese violet standards. Has a flashy yellow beard.  |                    | Very wavy true blue, really a delicate blue with flower center suffused with yellow. A delightful fragrance. Very hardy.   |                    |
| <b>LORI MAY</b>   | <b>Each \$.75</b>  | <b>MULBERRY ROSE</b>   | <b>Each \$1.00</b> |
| Large semi-flaring pink blend.  |                    | An elegant, large, tall sparkling self. Color aptly described by its name. Wavy flaring flowers.   |                    |
| <b>LOS ANGELES</b>  | <b>Each \$.50</b>  | <b>NARAIN</b>  | <b>Each \$.35</b>  |
| Blue and white plicata. An old one but lovely.  |                    | Glistening large vigorous flashy marine blue.  |                    |
| <b>LOTHARIO</b>   | <b>Each \$2.00</b> | <b>NIGHTFALL</b>   | <b>Each \$.75</b>  |
| Huge wavy flaring type flower with light blue standards and velvety blue-purple falls. Has a bright orange beard. Flaring falls edged in light blue. Very similar to Amigo in color, but much larger. |                    | Velvety dark purple with a sheen that makes it appear almost black. Vigorous in flower and plant. Hardy.   |                    |
| <b>LOUVOIS</b>  | <b>Each \$.50</b>  | <b>NYLON</b>   | <b>Each \$.35</b>  |
| A plush-like brown. Standards pale brown with maroon falls edged the color of standards.  |                    | Lustrous large pale rose buff. Free bloomer and very vigorous.   |                    |
| <b>MAGIC CARPET</b>   | <b>Each \$2.00</b> | <b>OLA KALA</b>  | <b>Each \$1.50</b> |
| Truly a huge magnificent flower. A plicata that is different. Bronzy buff standards are lined with rosy-brown markings. Golden cream falls wavy and flaring are heavily striated with dark rose.      |                    | Flaring semi-ruffled flower of deep yellow, almost orange on tall stems. Produces plants very fast. Blooms profusely. A magnificent iris with a bright orange beard. |                    |
| <b>MAJENICA</b>   | <b>Each \$.75</b>  | <b>OLD PARCHMENT</b>   | <b>Each \$.50</b>  |
| Enormous salmon pink. Very wide petals and falls semi wavy. Yellow veining on the haft with a bright yellow beard gives a flashy glow to the entire flower.   |                    | Sparkling creamy tan. Heavy substance. Huge blossoms. A long bloomer.  |                    |
| <b>MANDALAY</b>   | <b>Each \$.50</b>  | <b>ORMACO</b>  | <b>Each \$.75</b>  |
| Light coppery brown rose-self. Stiff horizontal falls. Very lovely flower has domed standards.  |                    | A glistening huge flower of a bronzy brown lined violet blend. Unusually heavy substance.  |                    |
| <b>MARQUITA</b>   | <b>Each \$.40</b>  | <b>ORMOHR</b>  | <b>Each \$.50</b>  |
| Attractive flashy cream standards with falls the same shade veined a lovely red. Quite unusual.   |                    | One of the largest irises grown. Tall silvery sparkling lilac, veined violet.  |                    |
| <b>MASTER CHARLES</b>   | <b>Each \$2.50</b> | <b>OZONE</b>   | <b>Each \$.35</b>  |
| Dashing, lustrous, very flaring dark bluish purple.   |                    | Pearly mauve to rosy lavender self.  |                    |
| <b>MAUNA LOA</b>  | <b>Each \$.35</b>  | <b>PAINTED DESERT</b>  | <b>Each \$1.00</b> |
| Red bicolor.  |                    | Tall, vigorous, wavy flaring flower. Blend of coloring as seen in the beautiful Arizona Desert, such as shades of browns, violet and tan.                            |                    |
| <b>MELITZA</b>  | <b>Each \$.50</b>  | <b>PALE MOONLIGHT</b>  | <b>Each \$.35</b>  |
| Dainty ivory with a glow of pale salmon. Early and long bloomer. Very profuse in plant and flower habits. Tall. Beautiful in partial shade. Has tangerine beard.                                      |                    | Pale blue, large flowers on tall stems.  |                    |
| <b>MIDWEST GEM</b>  | <b>Each \$.50</b>  | <b>PATRICE</b>   | <b>Each \$2.00</b> |
| Ruffled crimped glistening large flower of buff, peach, pink tones.   |                    | A charming white plicata, semi-flaring falls speckled a reddish brown. Standards cream flushed lavender. Tall glistening, beautiful flower.                          |                    |
| <b>MME. LOUIS AUREAU</b>  | <b>Each \$.40</b>  | <b>PINK CAMEO</b>  | <b>Each \$3.50</b> |
| Silvery white large flower heavily marked heliotrope. An early crispy refined plicata.  |                    | One of the new tangerine bearded pinks. A self of pale pink. Good sized flowers on tall stems. Prolific.   |                    |
| <b>MOONLIGHT MADONNA</b>  | <b>Each \$1.50</b> | <b>PINK RUFFLES</b>  | <b>Each \$.50</b>  |
| Pale lemon crisp and glistening with a faint tint of green. Dainty ruffled rounded flower.  |                    | Crisply dainty, elegant, wavy, heavily ruffled pink self flushed lilac. Produces long keeping flowers abundantly.  |                    |

|  |                    |   |                    |
|--|--------------------|---|--------------------|
| <b>PRAIRIE SUNSET</b>  | <b>Each \$1.00</b> | <b>SHISHALDIN</b>   | <b>Each \$.75</b>  |
| A flower that must be seen to be appreciated. Has all the gorgeous colors of a beautiful golden sunset. Sparkling as if covered with gold dust. Large wavy flaring blossom.                |                    | Huge flaring blossoms. A sparkling, brilliant bend of orange, yellow and brown. Very prolific.  |                    |
| <b>PRETTY PENNY</b>  | <b>Each \$.75</b>  | <b>SNOQUALMIE</b>   | <b>Each \$.50</b>  |
| Good sized rounded flower sparkling brightly with color of a new copper penny.   |                    | A crisp, lustrous large sized cream. Very heavy substance. Many flowers. Rapid increaser.   |                    |
| <b>PRINCE OF ORANGE</b>  | <b>Each \$.50</b>  | <b>SNOW FLURRY</b>  | <b>Each \$1.25</b> |
| Flaring medium sized flowers of flashy golden orange. Blossoms produced abundantly.  |                    | Huge magnificent white ruffled, very flaring flower with a crisp icy appearance. Big broad wavy petals. Heavy substance. A long bloomer, prolific in plant and flower. Very tall. An early bloomer. |                    |
| <b>RANGER</b>  | <b>Each \$2.00</b> | <b>SONRISA</b>  | <b>Each \$.75</b>  |
| Very large crimson self. Fragrant late bloomer. Velvety, sparkling, attractive long cone shaped flowers, produced abundantly.  |                    | An elegant coppery pink of very large flaring flowers, glittering with an overcast of gold. Flowers in abundance. A fast producer of plants.  |                    |
| <b>RED GLEAM</b>   | <b>Each \$.75</b>  | <b>SOUSUN</b>   | <b>Each \$2.00</b> |
| The real red Iris. Nearest to scarlet so far obtained. Flashing, velvety semi-flaring good sized flower.   |                    | An early and long bloomer. Charming sparkling lemon-cream. Large flower with pale yellow standards and falls of white bordered yellow.  |                    |
| <b>RHEA</b>  | <b>Each \$.35</b>  | <b>SPINDRIFT</b>  | <b>Each \$2.00</b> |
| An old Iris but still a beautiful flower of mauve and gold. Very vigorous.   |                    | Charming dainty seashell or coral pink. Flower domed shape with large wide flaring falls. Very brilliant tangerine beard. Wax like texture. One of the exquisite new pinks.                         |                    |
| <b>RIO ORO</b>   | <b>Each \$1.00</b> | <b>STARDOM</b>  | <b>Each \$.50</b>  |
| Glistening with a golden lustre this honey yellow self is a true beauty. Domed shaped flaring large flowers.   |                    | Very showy blend with a bright orange beard. Good sized flowers of salmon, apricot-buff. Has the appearance of pink. A fast plant producer.   |                    |
| <b>ROCKET</b>  | <b>Each \$8.00</b> | <b>SUNSET SERENADE</b>  | <b>Each \$1.00</b> |
| The elegant orange Iris. Very large wide petaled flower. Standards deep chrome. Falls a bright orange. Very stately.   |                    | A late, very long blooming Iris. Standards bright orange copper; falls a dark copper, edged orange. Glittering as if covered with gold dust the large flowers are produced profusely.               |                    |
| <b>SABLE</b>   | <b>Each \$.75</b>  | <b>TEA ROSE</b>   | <b>Each \$1.50</b> |
| Vigorous long blooming very velvety blue-black-violet with a blue beard. Really a magnificent flower.  |                    | An elegant crisp bright lustrous pink. Profusion of flowers on tall stems. Very vigorous in plant growth. A long bloomer. Showy. Has a blue blaze near the beard.                                   |                    |
| <b>SALAR</b>   | <b>Each \$.35</b>  | <b>THE ADMIRAL</b>  | <b>Each \$1.00</b> |
| Large flowers of shimmering creamy flesh and salmon.   |                    | Dignified, lustrous, flashy medium blue. Vigorous profuse bloomer with beautiful wavy flaring falls. Tip of beard blue. Stands all weather conditions well.   |                    |
| <b>SAN GABRIEL</b>   | <b>Each \$.35</b>  | <b>THREE SISTERS</b>  | <b>Each \$.50</b>  |
| A very tall growing early blooming mauve. Not hardy in very cold sections. Prolific and lovely.  |                    | Medium sized flower with cream standards and violet red falls somewhat flaring. Long blooming vigorous growing Iris.  |                    |
| <b>SANTA ROSA</b>  | <b>Each \$1.50</b> | <b>TIFFANJA</b>   | <b>Each \$1.00</b> |
| One of the largest and tallest of the new pinks. Quite fragrant. A long bloomer. Standards almost a strawberry ice-cream pink with deep rose falls.  |                    | Charming, flashy plicata. Heavy substanced. Standards a creamy buff. Falls white, with brushings on the haft of brown and a border of buff around the edges.  |                    |
| <b>SERENATA</b>  | <b>Each \$.50</b>  | <b>TIFFANY</b>  | <b>Each \$.40</b>  |
| Huge flaring russet pink flowers. Vigorous.  |                    | Very large unusual plicata. Background is yellow, with rose-red bronzy stitching over the entire flower. Wide petals with drooping falls. Prolific in plants and flowers.                           |                    |
| <b>SHANNOPIN</b>   | <b>Each \$.50</b>  |   |                    |
| An amoena of unusual charm. Showy from any part of the garden. Medium sized flowers with creamy ruffled standards and pinkish rose falls.  |                    |   |                    |
| <b>SHERIFFA</b>  | <b>Each \$1.00</b> |   |                    |
| One of the rare hybrids with ancestry traceable back to Palestine, Turkestan, and Eurasia. An Oncogelia-Bearded Hybrid. A dashing flower of changeable colors of blue, dark red and brown. |                    |   |                    |

**VALIANT**                                    Each \$.40

Bright blue edged old gold with orange beard.

**VEISHEA**                                    Each \$.75

Large sparkling rose copper with a bright blue spot in center of falls. Unusual.

**VIOLET SYMPHONY**                            Each \$.75

Tall elegant pure violet self with no veinings. Huge in size. Very wide petals crisp like. A lustrous stately beauty.

**VISION OF MERZA**                            Each \$1.00

Very large tall prolific plicata. Cream, marbled and veined rose-brown. Sparkling with brilliant coloring. Prolific long bloomer.

**WABASH**                                    Each \$.50

Charming, flashy amoena. Wavy, slightly ruffled petals. Pure white standards. Falls dark violet bordered white, of a velvety texture. Very vigorous and popular.

**WEST POINT**                                    Each \$.35

Late and long blooming brilliant indigo-blue with a slight cast of brown on the haft. Wide blooms are set off by a bright yellow beard.

**WHITE WEDGEWOOD**                            Each \$1.50

Very large flashy pure white, with blue at the tip of white beard, and haft. Standards are domed, falls flaring. Texture of flower appears almost wax-like.

**WINTER CARNIVAL**                            Each 1.00

Huge flaring pure white captivating in form and substance. Produces blossoms abundantly. Very vigorous in plant growth. Has a brilliant golden throat.

## SPURIA IRIS

Spurias are a beardless type Iris similar in appearance to the Dutch and Spanish. Sometimes referred to as the "butterfly Iris." They are easy to grow being very hardy. Tall growing, therefore are splendid for background planting. Blooming period begins near the end of the Bearded Iris season and they bloom a long time. They are of the finest for cut flowers in arrangements and excellent for corsages. Splendid for landscaping.

Shipments made in the fall.

**Monnier—3 ft.**                   **60c; 3 for \$1.45**

A lovely soft yellow. Very smooth wide petaled flower, golden orange on the falls.

**OCHROLEUCA—4½ ft.**                   **55c; 3 for \$1.35**

Beautiful tall white with a yellow spot on the falls. A long keeping cut flower.

## SIBERIAN IRIS

Graceful blooms with beautiful grass-like foliage. Very easy to grow and noted as cut flowers. Wirey flower stalks rise above the foliage producing an abundance of blossoms. This is a beardless type Iris and grows in clumps.

Planting should be done in the fall in ordinary garden soil on the acid side. For this rotted oak leaves are splendid. Should not be allowed to dry out until plants are well established. They are a moisture loving plant, but will grow most anywhere with proper care, in either full sun or partial shade.

Lime and bonemeal are fine for bearded Iris, but not for Siberians or Kaempferi. For these two use fertilizers on the acid side.

For an abundance of flowers leave undisturbed in the garden for several years.

Shipping begins in September.

**SNOW QUEEN—38 ins.**                   **50c; 3 for \$1.10**

A very hardy waxy snow white.

**PEGGY-PERRY**                           **50c; 3 for \$1.10**

Dainty ruffled sky blue with a white center.

**CAESAR—42 ins.**                           **50c**

Unusually tall, lovely broad-petaled blue-purple.

**CAESAR'S BROTHER—32 ins.**                   **75c; 3 for \$1.65**

Tall, dashing velvety blue-black purple.

**PSEUDACORUS—(Species) 3 ft.**                   **40c; 3 for 85c**

Yellow flowers have good sized rounded falls. Standards vary from mere points to an inch long. Brown veining at the haft. Very prolific and enjoys plenty of moisture. Not a Siberian, but grows under the same conditions, so we list it here.

## LOUISIANA IRIS

This charming beardless variety comes into bloom near the end of the Bearded Iris season. It is becoming more popular each year as it becomes better known. For cut flowers and adaptability in landscaping they are tops, if given the proper care.

Their natural locality is a marsh. However, give them a rich soil with plenty of humus, on the acid side if possible, also an abundance of water during the growing and blooming season. They are partial to shade during the hottest part of the day, so pick a spot for planting where this can be accomplished.

Their lovely foliage and gorgeous blossoms add lasting beauty to any garden. They grow easily.

Shipped in Late Summer or Early Fall.

**GIGANTICAERULEA—(Species)**                   **60 in.      75c**

Very tall, vigorous, beautiful foliaged plant. Huge flowers, upright petals, recurving sepals of a lovely violet blue.

**FULVA—(Species)**                                   **Each \$.50**

Dainty, coppery brick red blossoms, produced in abundance over a long period. Vigorous in plant and flowers.

**DOROTHEA K. WILLIAMSON Hybrid (30 ins.)**

**Each \$.50; 3 for \$1.20**

Sparkling, large velvety royal purple flowers are excellent for corsages. Produced abundantly over the entire vigorous growing plant. Blooms a long time. A hardy Iris that resembles the orchid.

## EVANSIA OR CRESTED IRIS

**JAPONICA (Species)**                                   **Each \$.60**

Sprays of dainty ruffled lavender flowers on 2-foot stems. Blossoms are orchid-like in appearance and appear in the spring. Crests are yellow. Evergreen foliage is luxuriant and a beautiful shade of light green. Suited for mild climates, or in doors in cold climates. Requires planting in shade and moist soil. Slightly acid soil best. Rotted oak leaves are very fine. For corsages and as cut flowers for all purposes they are perfect. Allow plenty of room for spreading. They are fast growers.

## IRIS STYLOSA

**STYLOSA BISCRA**   **Each \$.50**

Violet-blue three-inch flowers on seven to eight inch stem. Very fragrant. Splendid for constant cutting while blooming. Pretty grass-like foliage should be clipped back late in the fall, so the flowers will not be hidden when spring blooming begins. For cutting purposes flowers are best picked in bud. Full sun or partial shade. Give at least a foot each way in which to spread as they increase rapidly.

## BILLBERGIA

### BILLBERGIA NUTANS (Meaning: nodding)

60c; 3 for \$1.40

An odd flowering plant from Brazil. Very free grower. Blooms in the spring. Suitable for growing outdoors in mild climates. A splendid house plant for cold regions. They want plenty of moisture while in active growth. In summer partial or full shade.

Fascinating pendant or nodding flowers. Blossoms in effect are tricolor. The bracts are a bright rosy pink. Petals a brilliant green edged with a bright metallic medium blue. A real novelty.

## HEMEROCALLIS (DAYLILIES)

The Flower With a Future is one of the most fascinating of all time. Its beauty and charm are outstanding. There is so much to be had for so little effort on the part of the gardener. No known disease, no spraying is necessary. The modern hybrids have a wide range of gorgeous colors. The many types of flowers are amazingly beautiful as well as thrilling. They respond to good treatment, increasing flower size and blooming period.

They should be left in clumps undisturbed for several years for profusion of blossoms. For landscape planting, like the Iris, they are ideal. They will grow in full sun or partial shade giving splendid flowers either place.

We offer the finest of sturdy, healthy plants, seedlings or seed.

**ADAGIO**—Ht. 3 ft.                            Each \$1.00

Brilliant red with dark-eye zone.

**ALADDIN**—Ht. 3 ft.                            Each \$.50

## HEMEROCALLIS

### Daylily Bargain Offer

No. 4

For those of you who want lovely hybrid Daylilies of different colors, but are not particularly interested in the names, we offer this special bargain. All will be a selection of flowers you will be proud to have. These varieties will vary in heights, with blooming season from early to late. You will be sent colors ranging from pastels to the very brightest. They will be chosen from named varieties, but come to you unlabeled. We feel confident you will be delighted with our choice. Pleasing you means success to us.

Our aim is to acquaint more people each year with Hemerocallis (Daylily) hybrids. This bargain offer is the method by which we do so. We find it making satisfied customers for us, and we thank them for their trust in us.

Daylilies are very fine as cut flowers for arrangements, as well as beautiful in the garden.

If you want something unusually lovely cut individual flowers and arrange in a very low or flat clear glass dish setting it on a completely white background.

## MIXED DAYLILY SEEDLINGS

One year old plants grown from our seed, hybridized from named hybrids listed in this catalog.

20 plants \$1.00. 50 plants \$2.25. 100 plants \$4.00  
Quantity prices on request.

## DAYLILY SEED

1950 hand-pollinated from our finest hybrids. Very easy to grow from seed. Some will blossom the first year, but in colder climates two years will probably be most likely. All should blossom the second year. Mixed seed.

Small packet 50c. Large size \$1.00

Quantity prices on request.
